

Analysis of NIIS Skill Development Program

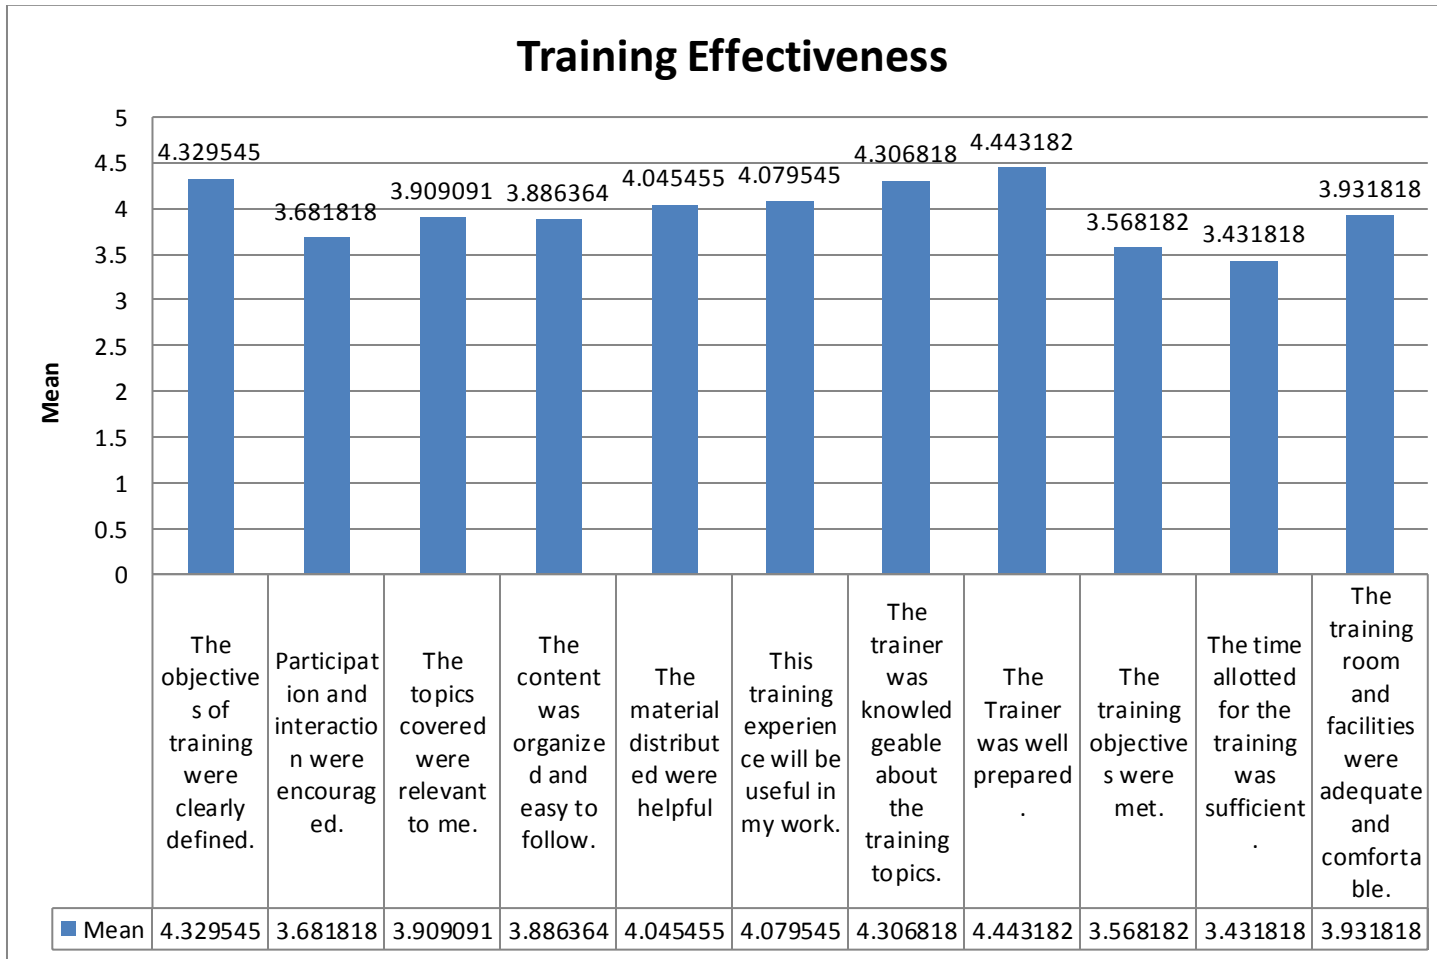

Financial Markets Beginners Module (FMBM) in Parity with NCFM

1. Training Effectiveness

Table 1.1

S. No.	Statements	Mean
1	The objectives of training were clearly defined.	4.329545
2	Participation and interaction were encouraged.	3.681818
3	The topics covered were relevant to me.	3.909091
4	The content was organized and easy to follow.	3.886364
5	The material distributed were helpful	4.045455
6	This training experience will be useful in my work.	4.079545
7	The trainer was knowledgeable about the training topics.	4.306818
8	The Trainer was well prepared.	4.443182
9	The training objectives were met.	3.568182
10	The time allotted for the training was sufficient.	3.431818
11	The training room and facilities were adequate and comfortable.	3.931818

Graph 1.1

Interpretation: Since different parameters mean is found to be above 3 which shows that Training was very effective and all the students were satisfied.

2. Use of Training

Whether you will make use of this training for acquiring any professional cum legal qualification?

Table 2.1

Particular	Yes	No	Not responded
Whether you will make use of this training for acquiring any professional cum legal qualification	76%	5%	19%

Figure 2.1

Interpretation: The above pie chart shows that the students think that the FMBM training is useful for acquiring any professional cum legal qualification in future. No doubt, acquiring this professional cum legal qualification will create ample opportunities for self employability with wider options.

Review Done By: Prof. (Dr) Bhanupriya Khatri

Use of Statistical tool: 5 Point Likert Scale

Trainer: CMA Prof. Jasabanta Sahu

Feedback Taken From: Trainees directly

Sample Size: 88

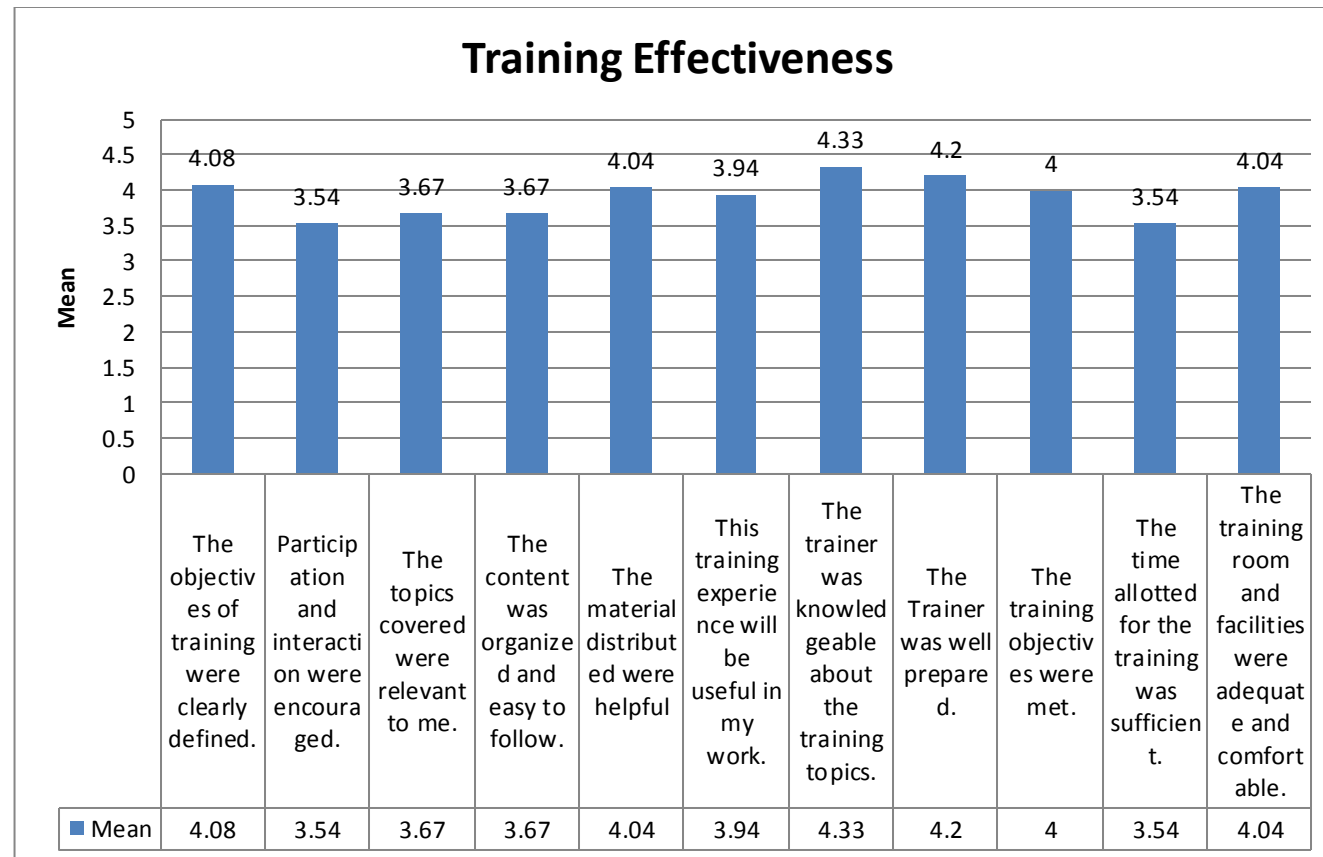

Analysis of NIIS Skill Development Program

Advanced Excel Program

1. Training Effectiveness

Table 1.1

S. No.	Statements	Mean
1	The objectives of training were clearly defined.	4.08
2	Participation and interaction were encouraged.	3.54
3	The topics covered were relevant to me.	3.67
4	The content was organized and easy to follow.	3.67
5	The material distributed were helpful	4.04
6	This training experience will be useful in my work.	3.94
7	The trainer was knowledgeable about the training topics.	4.33
8	The Trainer was well prepared.	4.2
9	The training objectives were met.	4
10	The time allotted for the training was sufficient.	3.54
11	The training room and facilities were adequate and comfortable.	4.04

Interpretation: Since different parameters mean is found to be above 3 which shows that Training was very effective and all the students were satisfied.

2. Use of Training

Whether you will make use of this training for acquiring any professional cum legal qualification?

Table 2.1

Particular	Yes	No
Whether you will make use of this training for acquiring any professional cum legal qualification	92%	8%

Figure 2.1

Interpretation: The above pie chart shows that the students think that the Excel training is useful for acquiring any professional cum legal qualification in future. No doubt, acquiring this professional cum legal qualification will create ample opportunities for self employability with wider options.

Review Done By: Prof. (Dr) Bhanupriya Khatri

Use of Statistical tool: 5 Point Likert Scale

Trainer: Prof. Sujit Pradhan

Feedback Taken From: Trainees directly

Sample Size: 24

Sl no.	Other Skill Development Programmes	Trainer	Student Enrolled	Parameters of Training Effectiveness	Statistical Tool
1	Tally	CMA Prof. Jasabanta Sahu	60	More Than 3 Mean	5 Point Likert Scale
2	Tax Planning	CMA Prof. Jasabanta Sahu	79	More Than 3 Mean	5 Point Likert Scale
3	Java	Prof. Surya Kanta Mohapatra	50	More Than 3 Mean	5 Point Likert Scale
4	Soft Skill	Mr. Subash Kartik	110	More Than 3 Mean	5 Point Likert Scale
5	PHP	Prof. Baruni Prassana Nayak	60	More Than 3 Mean	5 Point Likert Scale
6	ORACLE	Prof. Dharmendra Biswal	60	More Than 3 Mean	5 Point Likert Scale
7	Advance Excel	Prof. Baruni Prassana Nayak	60	More Than 3 Mean	5 Point Likert Scale
8	Advance C Programming	Prof. Jogeswar Tripathy	60	More Than 3 Mean	5 Point Likert Scale
		Total			

CONCLUSION:

Since all the skill development programmes having more than 3 ,it simply means that all programs are very effective to students and they are very satisfied.
